On August 18, 2023, around 3:27 a.m., the Martinez Police Department received a report of a video alarm at Velvet, a cannabis dispensary, located at 4808 Sunrise Drive. While enroute, officers were advised of multiple subjects at the business along with two vehicles.

Officers arrived on scene around 3:32 a.m. and one of the vehicles, described as a white SUV, fled the scene. Officers broadcast that shots were fired and there was an assault on an officer. The second vehicle attempted to flee and then crashed into a fire hydrant. The two occupants of the vehicle were transported to the hospital.

Additional law enforcement agencies responded to secure the scene. The Martinez Police Department initiated an investigation with the Contra Costa County District Attorney's Office in accordance with the countywide protocol for officer-involved shootings. One officer is receiving treatment at the hospital for what is believed to be a minor injury.

The investigating agencies have responded with extensive resources to determine exactly what took place. The area where the incident occurred remains closed while crime scene investigators collect evidence. The officers involved were wearing body-worn cameras and footage is being reviewed as part of the investigation.

The investigation is in its early stages and ongoing. Further information is expected to be released this evening. Additionally, our understanding of the incident may change as more individuals are interviewed and evidence is collected and analyzed.

If you have information regarding this incident, please contact Investigations at 925-372-3450.
