---	-----	-------------------------------------

Assignment

On 4/2/23, at 0206 hours, I was dispatched to assist officers that were in a foot pursuit. I arrived at 0213 hours and was assigned to interview a possible witness. I then spoke to [REDACTED] at [REDACTED].

Witness Statement

[REDACTED] stated that she was in her residence and was walking out. As she came out, she saw a subject on the ground with two officers on top of him. The subject was lying face down and his hands behind his back but was not handcuffed. The officers were kneeling on top of the subject's lower back. The two officers then punched the subject in the face. She believed that each officer hit the subject two times each.

One of the officers then used their Taser on the subject. The subject rolled over onto his back and was moving his arms around but was still not handcuffed. Additional officers arrived at the location and turned the subject over and placed him in handcuffs. Officers then placed the subject in a police unit.

[REDACTED] then changed the beginning of her story and said that she saw the subject walking east on the sidewalk and two officers came running up from behind him. The officers yelled, "Drop the gun. Drop the gun."

[REDACTED] then stated the two officers "dropped" the subject to the ground. I asked her what did she mean by dropped and she then stated that the subject laid down on his own. She also stated that the officers were yelling something, but she could not tell what they were saying. The subject was also yelling something but she also could not tell what they were saying.

I asked [REDACTED] what the subject was doing with his arms and she said she was not sure because it was dark. [REDACTED] also could not tell if the subject had a gun. She could not offer any further information.
