**\*\*\*SUPPLEMENTAL REPORT\*\*\***

**ASSIGNMENT/ARRIVAL:**

On Sunday, April 2, 2023, I was assigned to uniformed patrol in the city of San Bernardino driving a marked patrol vehicle. At 0330 hours, I conducted a Miranda Interview with Dejon Hemphill (DOB:05/16/1990).

All times in this report are approximate. My contacts were audio and video recorded using my department issued body worn camera.

**MIRANDA WARNING / SUSPECT INTERVIEW:**

HEMPHILL, DEJON

On Sunday, April 2, 2023, at 0330 hours, while in Pod D at Arrowhead Regional Medical Center (ARMC), I read Hemphill the Miranda Warning from my Miranda Warning card. To waiver question #1, Hemphill replied "Yes." To waiver question #2, Hemphill replied "Yes."

The following is a summary of my recorded interview with Hemphill:

Hemphill was driving his BMW when he was pulled over by officers. Hemphill knew it was police officers because he could see the red and blue lights, and the police decals on the vehicle. Hemphill was approached by two uniformed officers. An officer advised Hemphill he was pulled over due to his window tint. The officer pulled Hemphill out of his vehicle and the second officer walked up as they both tried to put Hemphill's hands behind his back. Hemphill said he was complying with officers but they kept telling him to stop resisting and pushed him up against his vehicle. One of the officers hit Hemphill in the back of the head with a baton, which caused Hemphill to run away from officers out of fear for his safety. Hemphill said he complied with officers and did not know why officers kept telling him to stop resisting.

Hemphill denied assaulting officers and denied trying to grab the officer's duty gun from his belt. Hemphill denied possessing the methamphetamine which was located in his vehicle and in close proximity to where he was apprehended. Hemphill admitted he had a methamphetamine pipe in his vehicle which had methamphetamine inside of it.

This concluded my interview with Hemphill.

While at ARMC, Hemphill was notified about his vehicle being stolen from where he was pulled over and located by officers in the city of San Bernardino. Hemphill said it was probably somebody he knew because he is well known. Hemphill did not want a stolen vehicle report.

Medical staff at ARMC advised Hemphill suffered a broken left arm which would require surgery. Medical staff placed Hemphill in a splint and scheduled a date for him to have surgery. Hemphill was cleared by medical staff at ARMC.

I transported and booked Hemphill into West Valley Detention Center for violation of P.C. 69-Resisting an Executive Officer.
