**Author** BLACK, DYLAN

**Related Date/Time** JUL-19-2023 (WED.) 2223

**2130 Hours, 07/19/2023 (Wednesday):** I, Deputy Black #155 (0K912), was in full uniform, with body worn camera, and drove a fully marked Sacramento County Sheriff's Office (SSO) patrol vehicle (122-913) with operating overhead lights and sounding siren.

I was accompanied by my canine partner, K9 Roscoe. K9 Roscoe is a five-year-old, 75-pound German Shepard. K9 Roscoe wore a gold Sheriff's Office badge on his collar and a black nylon tracking harness with Sheriff Emblems, as well as the word "Sheriff" on each side.

**2223 Hours:** I observed a known male subject, identified as **PC 832.7(b)(6)(B)** (S1), riding a bicycle westbound on Marconi Avenue just east of Eastern Avenue on the northern sidewalk. **PC 832.7(b)(6)(B)** bicycle did not have any lighting equipment during hours of darkness. A record check of **PC 832.7(b)(6)(B)** revealed he had outstanding felony and misdemeanor warrants for his arrest. I activated my overhead lights, with solid forward facing red lamp illuminated, and attempted to conduct an enforcement stop. **PC 832.7(b)(6)(B)** crossed Marconi Avenue southbound and fled through a parking lot of a business. I exited my patrol vehicle and removed K9 Roscoe from the kennel area. I elected to utilize K9 Roscoe to assist in the pursuit and apprehension of **PC 832.7(b)(6)(B)** based on the following criteria:

- **PC 832.7(b)(6)(B)** had active outstanding felony and misdemeanor warrant(s) signed by my Honorable Judge Ken Brody.
- **PC 832.7(b)(6)(B)** was not searched; it was unknown if **PC 832.7(b)(6)(B)** was in possession of conventional or unconventional weapons and if he would use weapons or violence against officers or the public to further his escape.
- **PC 832.7(b)(6)(B)** fled through a public parking lot toward an occupied residential neighborhood with several hiding spots. If allowed to continue his escape, it was unknown if **PC 832.7(b)(6)(B)** would attempt to hide, gain access to a residence, or use violence if contacted by the public or officers. If allowed to hide, **PC 832.7(b)(6)(B)** would have a tactical advantage over searching deputies.
- My intentions in utilizing K9 Roscoe was to capture and take **PC 832.7(b)(6)(B)** into custody with as little to no injury as possible to him or arresting officers.

**PC 832.7(b)(6)(B)** got off of his bike and continued on foot through a dark breezeway between the two buildings. I pursued **PC 832.7(b)(6)(B)** through the breezeway which unknowingly led to another parking lot. I briefly lost sight of **PC 832.7(b)(6)(B)** as he rounded a large tree while turning westbound in the new parking lot. As I exited the breezeway, I could see multiple civilian vehicles parked in the lot. I noticed a white Toyota Prius driving westbound through the lot in front of us. I gave K9 Roscoe his down command in an attempt to stop his forward progression.

K9 Roscoe approached the front of the Prius and it was unclear if the vehicle made contact with him. PC 832.7(b)(6)(B) had remounted his bike and fled southwest through the parking lot into a dark back corner. K9 Roscoe saw a female, later identified as PC 832.7(b)(6)(B) (V1), who was standing near the well lit dumpster area. K9 Roscoe mistook PC 832.7(b)(6)(B) to be PC 832.7(b)(7) and began running toward her. I attempted to recall K9 Roscoe to me. K9 Roscoe subsequently made physical contact with PC 832.7(b)(6)(B) left forearm. I quickly gained positive control of K9 Roscoe and removed him from his point of contact.

I requested responding deputies to begin rendering first aid to PC 832.7(b)(6)(B) and also advised the last direction of travel PC 832.7(b)(6)(B) had been scene. PC 832.7(b)(6)(B) was able to make it out of the parking lot, back to Eastern Way, and escaped. A male subject, later identified as PC 832.7(b)(6)(B) (W), arrived and assisted with comforting PC 832.7(b)(6)(B). PC 832.7(b)(6)(B) informed me he was her husband. I requested medical personnel respond to treat PC 832.7(b)(6)(B). I also requested CSI to respond.

**2231 Hours:** Engine 106 arrived on scene and evaluated PC 832.7(b)(6)(B).

**2237 Hours:** AMR medic 801 arrived on scene and later transported PC 832.7(b)(6)(B) to Mercy San Juan Hospital (MSJ) for further evaluation.

**2238 Hours:** I spoke with PC 832.7(b)(6)(B) about the incident. PC 832.7(b)(6)(B) advised me he heard the sound of sirens, someone yelling, then saw PC 832.7(b)(6)(B) ride by on his bike. PC 832.7(b)(6)(B) believed K9 Roscoe was struck by the Prius before he made contact with PC 832.7(b)(6)(B). (See witness statement)

At the time of the interview with PC 832.7(b)(6)(B), I did not believe K9 Roscoe had been struck by the white Prius. However, I reviewed the footage from my BWC and I believe the Prius made contact with K9 Roscoe.

**2300 Hours:** Lieutenant Noble # 26 (L90) and Sergeant Warren # 23 (0K9S1) were advised of the incident.

**2328 Hours:** CSI responded to MSJ and photographed PC 832.7(b)(6)(B) injuries. (See supplemental report)

**2349 Hours:** I spoke with PC 832.7(b)(6)(B) (W) who claimed to have witnessed the incident. PC 832.7(b)(6)(B) informed me she had heard me making canine announcements and saw PC 832.7(b)(6)(B) riding away from me. PC 832.7(b)(6)(B) claimed PC 832.7(b)(6)(B) nearly struck her. PC 832.7(b)(6)(B) recognized

Deputies searched the area for PC 832.7(b)(6)(B) and were not able to locate him.

**0042 Hours, 07/20/2023 (Thursday):** Deputy Lunardi #849 spoke with PC 832.7(b)(6)(B) and obtained a statement. (See supplemental report)

**I, Deputy Black # 155, spoke with** **who stated the following to me in summary:**

I heard some yelling over there, but we couldn't hear what they were saying because of all the sirens and then next thing I know I saw him ride by me on the bike. I was like, oh shit, I guess they are chasing after him. Then I saw the dog come through and hit the white car. I lost track of the dog at that point but I heard somebody yelling for the dog. I came around but I didn't know she had been bit yet. I am sorry for yelling. She and we understand that there is nothing you could have done and nothing could be done. She was just in the wrong place at the wrong time.

The lady hit him (K9 Roscoe) with the car. I thought he got hit. That guy booked it straight down that alley way right there. He knows the area.

**I, Deputy Black #155, spoke with** PC 832.7(b)(6)(B) **who stated the following to me in summary:**

I heard you you say release the dog, stop or ill release the dog. Then you said release the dog. I saw the guy who was running ride by me, he almost hit me. I was near the garbage can with PC 832.7(b)(6)(B). I had just walked around to the back of the garbage area then I heard PC 832.7(b)(6)(B) yelling and PC 832.7(b)(6)(B) yelling. By the time I came back around the dog had bit PC 832.7(b)(6)(B). I think you are looking for PC 832.7(b)(6)(B). I see him every single day. He always comes up and asks us if we have weed. I am pretty sure it was PC 832.7(b)(6)(B) who was riding the bike.

**2241 Hours, 07/19/2023 (Wednesday):** I, Deputy Venegas #1006, (CSI Unit ID20) arrived at Mercy San Juan Medical Center, 6501 Coyle Avenue, to photograph PC 832.7(b)(6)(B), who sustained injuries after being unintentionally bitten by a Sacramento County Sheriff's patrol canine.

I spoke with Deputy Black #155 (Unit 0K912) who briefed me on the incident and told me PC 832.7(b)(6)(B) was unintentionally bitten by his patrol canine. PC 832.7(b)(6)(B) was reported to have been bitten in the left forearm and was brought to Mercy San Juan Medical Center by ambulance to be treated for her injuries.

I located PC 832.7(b)(6)(B) in the trauma room in the emergency department being treated by medical personnel. With the permission of medical personnel, I took the following limited photographs (*ITEM SD1029843-1*) of PC 832.7(b)(6)(B):

- Intermediate and close-up views of PC 832.7(b)(6)(B) showing the following:
  - Cut and discoloration on the left side of her left breast
  - Cut/open wound on the inside of her lower left arm, near the elbow crease, exposing fatty tissue
  - Two (2) cuts/open wounds on the other side of her lower left arm, exposing fatty tissue
  - Multiple cuts/puncture wounds and apparent swelling on her lower left arm
  
- Intermediate and close-up views of PC 832.7(b)(6)(B) showing her identity.
