

Alameda County Sheriff's Office

**Report # 23-006308 - Supplement - 7 Report**

REPORT DATE / TIME May 4, 2023 01:54	EVENT START DATE / TIME - EVENT END DATE / TIME May 3, 2023 04:19 - 12:55	REPORTING OFFICER Peter Serrano #1703
SUPPLEMENT TYPE Use of Force		

**NARRATIVE**

My Body Worn Camera (Axon [REDACTED]) was activated during this incident. This report was written to the best of my recollection and not a direct transcript of the video. All recordings were later downloaded to the secure server at the AC Transit Police Services.

On 050323, I was working as a Deputy Sheriff assigned to the AC Transit Police Services. I was wearing my class "D" utility uniform, which displayed an Alameda County Sheriff's Office patch on each shoulder and identified me as a Deputy Sheriff. I wore a Tactical Vest with a Sheriff's Office gold badge patch on the upper left chest area, my name across the right chest area and the word "SHERIFF" in large gold lettering across the upper back. The Tactical Vest carried several items of police equipment, which included my radio, handcuffs, flashlight, expandable baton, and my Taser 7 (serial # [REDACTED]). I was driving in a fully marked patrol vehicle (#3643).

About 0419 hours, Deputy M. Ella and I were detailed to the San Leandro BART Station, located at 1401 San Leandro Boulevard in San Leandro for a report of a suspicious person onboard AC Transit Coach 2317. Sheriff's Dispatch advised a male, later identified as, [REDACTED] [REDACTED] was on the coach, sitting on the driver seat, and when confronted by staff, began to chase the employees threatening to assault the AC Transit Supervisor, [REDACTED]

While enroute, Sheriff's Dispatch advised [REDACTED] was becoming more agitated and was fighting with Supervisor [REDACTED] in the BART Station parking lot. [REDACTED] was described as a black male adult with dreadlocks wearing no shirt, black jacket, and ripped style black jeans.

I arrived with Deputy Ella and saw [REDACTED] near the coach platform walking toward our direction. Deputy Ella gave [REDACTED] commands to get onto his stomach, which he appeared to understand and laid on the ground. I attempted to detain [REDACTED] and secure him into handcuffs but as I approached, he began to move from the prone position stating that he did not understand. I repeatedly told [REDACTED] not to move but he continued to move his body and state he did not do anything wrong. Based on [REDACTED] movements, I believed he was not going to allow me to secure him into handcuffs. [REDACTED] then sat upright in a seated position and allowed me to secure his left hand into a handcuff. While attempting to secure his right hand, he pulled away from me with his left hand and tensed his arm. I use arm pressure to pull [REDACTED] left arm tightly behind his back and had to pull his right arm and force it into the handcuff. [REDACTED] did not relax although he repeated stated he was not resisting.

After securing [REDACTED] into handcuffs, I instructed him to lay flat on his stomach and he complied. [REDACTED] continued to flail his legs and then quickly rolled his body onto his side. I used bodyweight to force [REDACTED] back onto his stomach and repeatedly told him to lay on his stomach. Deputy Ella assisted with controlling [REDACTED] upper body and ETS Deputy L. Olsen arrived and assisted with controlling [REDACTED] legs. Multiple attempts were made to assist [REDACTED] into a more comfortable position, but he complained he was uncomfortable. Based on [REDACTED] erratic, paranoid state, coupled with his labored breathing and sweating profusely, I believed [REDACTED] displayed obvious sign and symptoms of illicit drug use.

Deputies O. Sallam, G. Harris, and ETS Deputy Z. Snider arrived to assist. Sergeant S. Light was advised of the incident and arrived to assist.

Deputy Ella advised medical was requested to our location for both the victim and [REDACTED]. While waiting for medical to arrive, Deputy Sallam assisted with moving [REDACTED] to a seated position on the curb and off of the pavement. I saw [REDACTED] begin to flail his legs and kick at deputies. I immediately began to control [REDACTED] left leg but as a result of him being in a seated position, he freed himself and I was unable to control both legs. I used my body weight to hold onto [REDACTED] left leg as he continued to kick. I held onto [REDACTED] until I was able to assist with rolling him onto his stomach.

I continued multiple attempts to calm [REDACTED] in order to deescalate the situation, but he did not respond and continued to stiffen his body and kick with his legs. I controlled [REDACTED] legs and midsection until he was transferred into a WRAP restraint device. After being successfully placed into the restraint device, [REDACTED] began tighten his muscles in an attempt to free himself briefly, and then change to a calm state as if exhausted. [REDACTED] continued with this behavior until he was seen by medical.

I stayed with [REDACTED] until he was moved onto a gurney and onto the ambulance. I assisted with removing [REDACTED] from the restraint device to soft restraints without issue. I checked [REDACTED] for visible injuries and located a small abrasion on his left shoulder and left wrist.

I took digital photographs of [REDACTED] injuries which were later downloaded to the secure server.

I received minor scrapes on my left shin and right thumb as a result of the incident and did not seek treatment.

Photographs were taken of me to document my condition.

This is a supplemental report to Deputy Ella's original 23-006308.

Pursuant to SB 882:

- a. I did not perceive [REDACTED] had a developmental, physical, or mental disability.
- b. [REDACTED] was contacted because he was attempting to assault an employee.
