INVOLVED PERSONS

INVOLVEMENT	NAME	HOME ADDRESS	DOB	MAJOR AGE RANGE	RACE	SEX
SB-1	Ernesto Alonzo Carrillo	[REDACTED]	1986-09-17		Hispanic	Male

NARRATIVE

This call is related to Reedley P.D. case number 23-0002747 where I assisted on making initial contact and identifying a subject they were attempting to locate.

My body camera was not activated during initial contact, however was activated later in the investigation.

SOURCE:

On 8/19/2023 at approximately 2159 hours, I was in a fully marked State Center Community College District (SCCCD) P.D. patrol vehicle assigned to the Reedley Community College (RCC). RCC is located at 955 N. Reed Avenue in the City of Reedley. I was patrolling the RCC campus and I heard Reedley P.D. Officers being dispatched to a familiar apartment complex a few minutes east of RCC campus. The call for service was related to a call for service they had on yesterday's date (8/18/2023) where Reedley P.D. Officer responded to a male and female disturbance at the same apartment complex. During this prior call, I had overheard Reedley P.D. broadcast that the subject "Ernesto" evades Officer and likes to cut through the RCC campus. During this incident Ernesto was unable to be located and remained outstanding.

(8/19/23) I remained on the RCC campus near the north-most entrance, near the intersection of Reed Avenue and Kip Patrick Avenue. My exact location was in parking lot-D, east of the new Child Development Center construction building, south of the C-trains. At this location, I was approximately 100 yards west from the roadway of Reed Avenue facing in an east direction.

INVESTIGATION:

Off to the distance in front of me along Reed Avenue, I noticed what appeared to be a subject walking in a south direction through RCC campus parking lot-D. Due to darkness and low visibility, I proceeded to drive towards the subject. As I got closer, there was enough ambient lighting from the parking lot lights and noticed a male subject

Pg 1 of 2

wearing a dark shirt and blue jeans. The subject also had an unknown red item under his left armpit. I also noticed the male subject was walking faster than a normal walking speed. The subject also appeared to be looking over his shoulder as if walking away from someone. This lead me to believe it could be the subject related to Reedley P.D.'s call for service.

I casually drove up next to the male subject and asked him, "what up man everything good?" to which he stated, "Yeah". I asked him, "what's your name bro I think I spoke to you before?" to which he verbally stated, "Ernesto". I then responded with, "Ernesto what your last name?" to which he verbally stated, "Ernesto Gonzalez". I then told him, "Alright Ernesto take it easy, have a good one."

In an attempt to coordinate with Reedley P.D. to detain Gonzalez, I drove off in a south direction through parking lot-D while keeping a visual on him. I then switched over to the Reedley P.D. channel and requested the name of the subject they were looking for, to which a Reedley P.D. Officer replied "Ernesto". I then advised that I believed I was just out with him walking through the parking lot at RCC. While Reedley P.D. Officers were responding to my location, I was coordinating with them and providing Gonzalez's location. I noticed that Gonzalez had crossed the street from RCC to a residence at [REDACTED]. It appeared he tried knocking on the door and shortly after, proceeded to walk southbound on the east sidewalk of Reed Avenue. It appeared he noticed additional patrol vehicle in the area at which point he began to run southbound.

I saw that Reedley P.D. Officers had made contact with Gonzalez near Reed Avenue and Ponderosa Avenue. Shortly after, I overheard a Reedley P.D. Officer requesting Emergency Medical Services (EMS) code-3 (emergency response with lights and sirens). At this time, I responded to the residence to speak with the homeowner [REDACTED].

STATEMENT:

[REDACTED] advised that a subject knocked on his door and asked if [REDACTED] was there. [REDACTED] advised [REDACTED] did not live there. [REDACTED] advised that the subject rang the Ring doorbell and it captured when he approached the door.

DISPOSITION/ CONCLUSION:

Forward copy to Reedley P.D.

REASON FOR STOP:

Call for service.

INVESTIGATION:

On 08/19/23 at approximately 2149 hours, while on routine patrol in the City of Reedley and in full police uniform, driving a fully marked unit. I was dispatched to [REDACTED] regarding the RP reporting that her [REDACTED] who she verbally identified as Ernesto Carrillo (09/17/86), was at the residence and had an active felony warrant. RP described Ernesto as wearing a dark-colored shirt, a red hat, and blue jeans. The RP was later verbally identified as [REDACTED]

Just for information, [REDACTED] was informed by OFC Carey to contact RPD if Ernesto returned to the residence. (See OFC. Carey report for further 23-2741). While on scene, a record check done by RPD Dispatch revealed Ernesto to have one active and confirmed Felony warrant out of Fresno County for PC 273.5(A), PC 243(E)(1), and PC 236

I arrived on the scene and contacted [REDACTED] in front of her apartment complex. [REDACTED] stated that Ernesto had already left the apartment and taken her brown wallet with a few extra bags of assorted things. The following is a summary of [REDACTED] statement.

[REDACTED] arrived at her home, and Ernesto was already in the house. When [REDACTED] saw Ernesto at the house, she went outside and called RPD. While on the phone with Dispatch, [REDACTED] saw Ernesto leaving the residence on foot. [REDACTED] went back inside her residence and saw that her laptop had been destroyed. [REDACTED] informed me that the computer was worth 800.00 dollars.

While speaking with [REDACTED] State Center Officer Serrano (SC30) advised RPD officers on the radio that he had just contacted Ernesto and saw him running Southbound on Reed Ave. (See OFC. Serrano report for further Case#23-0564) [REDACTED] did inform me that Ernesto is currently on drugs.

Additional RPD officers on scene advised that they were out with Ernesto on Reed Ave. just south of Kip Patrick Ave. (See OFC. Nava (K27) and OFC. Escovedo (L42) report). I arrived on the scene and observed Ernesto lying on the ground with blood on the sidewalk. At approximately 2204 hours, SGT Puryear dispatched for EMS to respond code 3 for Ernesto's injuries. (See SGT. Puryear's S82 report for further)

I observed two taser prongs inserted in Ernesto's body. One of the prongs was on the lower right side of his neck. The second prong was inserted in Ernesto's right side lower back. OFC. Jimenez and I stood by with Ernesto until EMS arrived on the scene. (See OFC. Jimenez (L68) report). At approximately 2202 hours, I advised Dispatch that Ernesto was under arrest for the active/confirmed felony warrant and additional open charges of PC 148(a)(1) and PC594(a). Ernesto would switch between sitting with his legs crossed or lying on his left or right side of his body position. EMS arrived on scene at approximately 2206 hours and Ernesto was transported to Adventist Medical for his injuries.

At approximately 2331 hours, OFC. Cardinale (L159) advise that I respond to Adventist Hospital (See OFC. Cardinelle's report) I arrived at Adventist Medical Center and spoke with Doctor Carlos Bayardo (ID# A91684). The following is a summary of Bayardo's statement.

At approximately 2346 hours, Bayardo informed me that a CT scan was conducted on Ernesto's head area for severe injuries. The CT scan revealed Ernesto's skull cracked open, allowing oxygen to flow to the brain. Bayardo advised that this was causing a hematoma to set in and push the severe bruising to make his eyes purple and swollen shut. The CT scan also revealed Ernesto's nose to have a fracture. Bayardo stated that Ernesto would need be airlifted to CRMC for critical care immediately. Airlift was denied due to weather conditions.

At approximately 0115 hours, Ernesto was transported to CRMC by Sequoia Safety Council (UNIT 310). Ernesto was transported to CRMC code 3.

NARRATIVE		

SUPPLEMENT REPORT: On 08-20-2023 at 0750 hours, I assisted with this case by relieving REPD Officer M. Velazquez at Fresno Community Regional Hospital. Officer Velazquez was standing by with the suspect in this case, Ernesto Carrillo.

At 1045 hours, Ernesto Carrillo was released Per Penal Code 849(b).This was due to the current medical condition of Ernesto Carrillo. The medical staff had advised me, Ernesto medical condition was he was in "critical, but stable condition". Ernesto Carrillo was going to possibly have more surgeries in the near future and the constant medical care he was currently receiving from medical staff.

The nursing staff advised me they would accept telephone calls to get updated status reports on Ernesto Carrillo.

The active warrants were placed back into the Fresno County Records System.

DISPOSITION: Attach to original report.

NARRATIVE

On 08/19/2023 at approximately 2150 hours, while working routine patrol, I was dispatched to [REDACTED] for a report of a wanted felon in the area who was identified by the reporting party as Ernesto Alonzo Carrillo. Ernesto was known to law enforcement with prior domestic violence and resisting arrest charges. Records check of Ernesto confirmed active warrants out of Fresno county for domestic violence.

Upon arrival officers were advised that the suspect who was positively identified as Ernesto Alonzo Carrillo (D.O.B. 09/17/86) had fled the scene on foot. Assisting officers broadcast that they located Ernesto running southbound on Reed Ave. at Kip Patrick Dr.

In route to assist officers, radio traffic advised that Ernesto was running southbound on the east side of Reed Ave. and an officer had a spotlight on him and had a positively identified him. On arrival I observed Ernesto on the ground in the prone position, with assisting officers attempting to take Ernesto into custody after a Taser deployment. I assisted in taking Ernesto into custody by placing his hands into handcuffs, checking for proper fit and double locking them. Ernesto had two Taser probes in his lower right back area and upper right shoulder area. He had a laceration to his forehead area and was bleeding but he was alert and responsive to officers. Ernesto was then positioned on his side and searched for any dangerous weapons and sat upright. Ernesto was found to be in possession of a item commonly used to shatter windows.

EMS was immediately requested to respond code 3.

I then retraced the route that Ernesto was seen running on Reed Ave. to look for any weapons or items that Ernesto may have dropped while running.

Shortly after, Ernesto was transported to Adventist hospital for treatment and later to Community Regional Medical Center in Fresno.

Body camera footage was uploaded to evidence.com

OUTSTANDING SUSPECTS/VEHICLES:

None.

DISPOSITION:

Forward to original officers report.

NARRATIVE

REASON FOR STOP: Call for service wanted felon.

SUPPLEMENTAL INVESTIGATION: On August 19, 2023 at approximately 2149 hours, I was on routine patrol as the on-duty Sergeant. My uniform consisted of a Navy-blue long sleeve shirt with a "City of Reedley Police" patch and blue/gold chevrons on each arm. On the left breast of my shirt is a gold-colored badge and the right is a gold name tag and a department issued body worn camera (BWC). I was wearing a pair of clear prescription glasses. I was wearing a black leather duty belt, navy blue pants and black boots. I was driving Reedley PD unit 713, which has a traditional black and white color pattern and is fully marked with red and blue emergency lights.

Officers were dispatched to [REDACTED] [REDACTED] for a reporting party stating that they were advised to call police if Ernesto Carrillo (9/17/86) returned to the residence. Ernesto was last seen wearing a gray shirt, blue jeans and a red baseball hat. I recalled being briefed at the start of my shift, which occurred around 1900 hours, that Ernesto had vandalized his girlfriend's vehicle and fled prior to officers arriving. I was further advised that he had an active and confirmed felony warrant for PC 273.5 and PC 236, and was yet to be arrested. I recalled a specific case from about a month earlier where Ernesto had assaulted his girlfriend at the Edgewater Inn in Reedley. I remembered that incident due to the numerous times he was arrested for felony and misdemeanor domestic violence and for violating restraining orders. I was able to see his criminal history when I was reviewing the officers report from the assault at the Edgewater Inn. I could not remember the last time I had seen so many arrests for domestic violence by one person. I believed that Ernesto had a propensity for violence based off of his criminal history and based off of his habitual drug use.

Prior to responding, I called dispatch via phone and confirmed the felony warrant was active. Shortly after hanging up, I received a photograph of Ernesto from dispatch.

I activated my department issued BWC prior to arriving on scene. When I arrived on scene, prior to exiting my patrol vehicle, I heard officers advise that Ernesto had left the apartment prior to our arrival. State Center Community College District (SCCCD) Police Officer Serrano asked over the Reedley PD radio channel to confirm the subjects name of who we were looking for. Officer Serrano was advised it was Ernesto Carrillo and he stated that he had just contacted him in the Reedley College parking lot, for further refer to SCCC report number 23-564.

While responding to the area Officer Serrano stated that Ernesto was in the front yard of a residence with a white picket fence on Reed Ave. in the area of Kip Patrick Ave. As I was driving towards that intersection, Officer Serrano advised that Ernesto was south of Kip Patrick Ave. on Reed Ave. I believed that Ernesto was still going to be on the east side of Reed Ave. when either myself or another officer would contact him. I requested an officer go to Riverview Ave. south of Kip Patrick Ave. in case Ernesto ran east bound from Reed Ave. I believed that Ernesto would run based off a prior radio transmission from Officer Cardinale regarding Ernesto running and the severity of the warrant for his arrest. I wanted a perimeter set up quickly in case he fled, because I did not want him to escape. I feared that if he escaped, the female who was the victim of the felony assault and false imprisonment, may be at risk of retaliation from Ernesto if she called.

Officer Serrano asked for a Reedley Unit to drive south on Reed Ave. to contact Ernesto. When I turned southbound, I observed a moderate amount of traffic on the roadway. Along the roadway are streetlights that artificially light the area. Some areas are dimly lit and others are moderately lit. I drove approximately 50 yards and Officer Serrano advised me that Ernesto was to the left of my unit.

I briefly stopped and turned to contact a subject on the east sidewalk of Reed Ave. and did not recognize the subject from the photograph as Ernesto. Officer Serrano stated that subject I was going to contact was not Ernesto. As I turned and drove my unit south on Reed Ave. Officer Serrano advised he had his spotlight on Ernesto and he was running south bound. I observed Ernesto running southbound approximately 50 yards south of me on the east sidewalk of Reed Ave.. I activated my overhead emergency code 3 lights and my siren. My patrol vehicle was in the north and southbound lane of Reed Ave and approximately 25 yards from Ernesto. Ernesto hands were swinging from front to back above his waist as he was running. I observed his right hand to be empty. As his left hand was brought back, as he was running, his left hand had a silver somewhat reflective object protruding from his hand. At the time, I believed the object could possibly be a firearm or knife. While he was running Ernesto was illuminated by passing vehicles headlights and turning his head over his right shoulder looking in my direction.

I passed at least one, possibly two vehicles and drove almost parallel to Ernesto along the east curb of S. Reed Ave. As Ernesto was running, I could clearly see he was wearing baggy clothing that could easily conceal a weapon and he was grabbing at his left pocket. I wanted to pull nearly parallel to Ernesto because I did not want him to run into oncoming traffic, endangering himself and/or motorists. I had this in my mind at the time because of two separate body cameras I had seen in the last month of subjects being hit by oncoming traffic while fleeing police. I rolled down the driver side window of my patrol vehicle. My driver side mirror was approximately 3 yards behind Ernesto and 3 yards from his right side. I unholstered and activated my department issued Conducted Energy Device (CED). I told Ernesto in a loud clear voice "Stop Police" but he continued running and looked over his shoulder and directly at me. I pointed my CED at Ernesto at some point after I rolled my driver side window down. I once again said, "Stop Police" in a loud clear voice and Ernesto continued running. At this point the area was dimly lit to me and I could not have a clear and uninterrupted view of Ernesto's hands. I warned him "You're gonna get tased", and he did not stop. I deployed my department issued CED and Ernesto's feet came fully off the ground and he landed on the concrete with his face and upper chest area.

I stopped, put my patrol vehicle in park and exited my patrol vehicle as my department issued CED was completing its pre-set five second cycle. Once the CED was finished cycling, Ernesto sat up and I saw a large amount of blood dripping from his face and covering the sidewalk. I yelled at Ernesto to show me his hands, twice, which he did not comply. I chose not to activate the CED again because of Ernesto's injuries. As officers ran up to place Ernesto in handcuffs, I requested EMS code 3 for Ernesto before the handcuffs were fully applied to his wrists. I requested EMS code 3 due to Ernesto's injuries to his head. Ernesto was making groaning noises, which I believed to be from pain he was feeling. Within minutes Ernesto was talking to officers about the handcuffs being tight. During a search of Ernesto, I observed officer Nava remove an object from Ernesto's left pocket or waistband area. The object had a black handle approximately four inches long and a silver piece of metal that protrude from the tool. When the object was removed, I initially thought it was a "Zip gun". A zip gun is a personally manufactured firearm from common items. I then realized it was a "window punch", which is a tool used to break car windows. I believe this item may have been what Ernesto was running with but can not be certain, as I did not have a view of his left hand during the entire contact.

I was also advised that Ernesto had a knife on him. I advised officers to place Ernesto on his side, to prevent him from aspirating blood from the facial trauma. Ernesto sat up and I believed allowing him to be in a position of comfort would be most beneficial for him. I did instruct officers not to allow him to lay on his back. I was able to see that one probe from the CED struck Ernesto on the back of his upper neck and the other on the right side of his lower back. During the call I photograph Ernesto and provided them to Officer Renteria to be attached to this report.

Shortly after the use of force, I wanted to check again if the caller was the female related to the warrant because I worried that she may have been injured and dispatch advised me it was different caller. Dispatch advised the caller was related to a prior vandalism call.

I asked Officer Cardinale to conduct a neighborhood canvass for surveillance and witnesses to the incident. Ernesto was transported to Adventist Health. I was later advised by Officer Cardinale that Ernesto suffered severe injuries from the fall and was going to be transported to Community Regional Medical Center (CRMC) for surgery. I contacted Commander Ediger and advised him of the case.

Ernesto was transported to CRMC and is currently listed in critical but stable condition.

REPORT DESCRIPTION

SUPPLEMENTAL REPORT

SUPPLEMENT TYPE

Assisting narrative

NARRATIVE**SUPPLEMENTAL REPORT:**

On 08/18/2023 at approximately 2149 hours during uniform patrol and driving a marked patrol vehicle, I assisted Officer Renteria on a unwanted subject call for service. The location provided for [REDACTED] [REDACTED] Reedley PD dispatch advised the subject's name is Ernesto Carrillo and he had an active Felony warrant.

I worked the night before and was aware of Ernesto's warrant. The night before Ernesto was involved in a vandalism (for further information regarding the vandalism see case number 23-2741). I have had prior contacts with Ernesto for felony domestic violence.

I advised assisting officers over the radio that he had priors for felony domestic violence.

I arrived on scene and started a perimeter at the apartments to the north.

Assisting officers arrived on scene to contact Ernesto. Officer Renteria advised over the radio that the reporting party (RP) stated Ernesto left the scene. Officer Renteria advised he was last seen wearing a gray shirt and blue jeans.

Officer Serrano from State Center Community College District (SCCCD) advised over the radio that a male matching the description was on Reed Ave walking southbound. Officer Serrano stated over the radio that it was Ernesto, and he was now running southbound Reed Ave.

I drove southbound in the 1200 block N. Reed Ave east alleyway in case Ernesto ran eastbound.

Sgt. Puryear advised over the radio that he was contacted Ernesto and he was actively running. Shortly after Sgt. Puryear asked for EMS to respond with lights and sirens.

I arrived on scene and observed Officer Renteria standing by Ernesto while Ernesto was handcuffed and sitting on the curb. I walked up with my medical bag and notice Ernesto was bleeding from his nose. I did not want to make it difficult for Ernesto to breath so I tried to keep him leaned forward so he would not choke from his blood.

Ernesto kept trying to get up so I told him multiple times to stay seated. He would move around so I tried to keep him still to avoid any further injuries.

Officer Renteria stood by Ernesto so I could stay available for any other calls for service.
