REPORT NARRATIVE

CASE# 23114313

EVENT# E8456744

SYNOPSIS:

On 04/07/2023 at the Vista Detention Facility (VDF) I was assigned to East house. Incarcerated Persons (IP) Phoenix, Brandon (22751968) had taken his assigned cell's, East House Module 4 Cell #4, handcuffing port hostage during the previous shift. Deputy Bautista (3866) went and tried to reason with Phoenix. After a brief discussion Deputy Bautista attempted to shut the handcuffing port. A use of force ensued. During the use of force Phoenix's left ring and middle fingers were caught in the handcuffing port, causing a contusion. Phoenix was offered and refused medical attention. Photos were taken of Phoenix's injuries and video was collected from the Closed Circuit Television (CCTV). Both were entered into evidence. It was later discovered Pheonix also had a broken right ring finger. Pheonix was treated at Tri City Medical Center Emergency Department for the broken finger.

ORIGIN:

On 04/07/2023, at approximately 0700 hours, I was assigned to East Housing position at VDF. I was conducting a safety check with Deputy Bautista when we entered module 4. Deputy Bautista contacted IP Phoenix during our safety check, and I stood by.

Phoenix was arrested by Escondido Police Department. Phoenix is currently in on (b)(6)(C), (b)(6)(C). Phoenix is due back in court in 4/14/2023. Cumulatively while in custody of the San Diego County Sheriff's department between the April of 2022 and April of 2023, Phoenix has accumulated approximately (b)(6)(C) JIMS incidents. Phoenix's JIMS incident range from (b)(6)(C), (b)(6)(C). Due to all of Phoenix's incidents he is a level 6 Green banded IP and is required to wear Day-Glo Green inmate clothing alerting staff to his assaultive risk and while in the day room he must wear waist and leg chains(DRC).

INVESTIGATION:

During our first safety check in East Module 4 Deputy Bautista contacted Phoenix at his cell and attempted to talk Phoenix into putting his arm back inside the cell, so that we could secure the handcuffing port. Phoenix began to make demands. Phoenix stated that he wished to come out for dayroom without chains on. Phoenix said he wanted to get grievance forms. Deputy Bautista calmly stated that he couldn't come out for dayroom without chains since he is required to be secured in dayroom leg and waist chains during dayroom. Deputy Bautista stated that we could easily get the forms for him, and it wouldn't be an issue. Phoenix stated that it was now too late and that we took too long. Deputy Bautista told Phoenix Team 1 had just come on and it was our first day back. Phoenix became irate and began to ramble about the FBI and how it was above our "pay grade." Deputy Bautista told Phoenix he could speak with the lieutenant or sergeant shortly and they would be doing their daily rounds soon. Phoenix continued to yell. Deputy Bautista tried to reason with Phoenix and notified him that he was holding up dayroom for the other IP's. Deputy Martinez (3597) also joined us in the module and stood by.

Deputy Bautista began to remove Phoenix's right arm from the handcuffing port. I was able grab the handcuffing port flap so that Phoenix could not place his hand back on it. Phoenix struggled with Deputy Bautista. Deputy Bautista managed to get Phoenix's arm back inside the cell. Once inside Phoenix managed to throw a strike with a closed fist and strike Deputy Bautista's abdominal area. As Phoenix pulled his arm back in, I was able to shut the handcuffing flap and hold it shut until we were able to secure the lock. During the struggle, from my vantage point, I saw Phoenix's left ring and middle fingers got caught momentarily in the handcuffing port flap as Deputy Bautista and I attempted to close it. Phoenix's left ring finger sustained a contusion in the process. Initially I saw no apparent injury. (See Deputy's Report by Deputy Bautista for details regarding the force used.)

At approximately 0710 hours, Lieutenant Ramos 3884 and Sergeant Gomez were notified of the use of force with Phoenix. Deputy Bautista returned shortly after and asked Phoenix if he wanted to go to medical. Phoenix wouldn't respond to Deputy Bautista. Deputy Bautista had Nurse (b)(6)(C) attempt to evaluate Phoenix at his cell. Phoenix had his cell window covered with toilet paper, preventing

anyone from looking inside. Phoenix refused to remove the toilet paper from the cell window and would not let Nurse (b)(6)(C) evaluate him.

At approximately 1600 hours Deputy Bautista went to try and talk with Phoenix. Phoenix refused to see the nurse at his door and wished to go to medical. I was standing by when this occurred. Phoenix asked to talk with me. I came over and Phoenix explained that he would rather have me and a different deputy take him to medical. I agreed and went to retrieve leg and waist chains. When I returned, Phoenix refused to go to medical and gave me a list of reasons as to why he wanted the nurse to come to him. I told Phoenix I would see if a nurse was available to come to him. Nurse (b)(6)(C) agreed to go to his cell. Phoenix took down his toilet paper from his window and held one of his hands in the window for us to look at. I couldn't tell which hand Phoenix was holding up, but I could see blood on his hand. I couldn't tell where the blood was coming from on Phoenix's hand. Nurse (b)(6)(C) was able to get photos of his hand through the window. To allow the nurse to get a better view, I stood off to the side and I couldn't get a clear view of Phoenix's injuries.

At approximately 1530 hours Nurse (b)(6)(C) returned to clean Phoenix's finger and provide more care per the Contracted Nurse Practitioner (b)(6)(C). When (b)(6)(C) attempted to provide care, Phoenix refused and requested band-aids.

I had no further contact with Phoenix over this incident.

On 04/09/2023, Phoenix allowed VDF Health staff to see his injuries. On 04/10/2023, Phoenix was transported to the Tri-City Medical Center Emergency Department due to an injury to his right hand, a broken ring finger, which was discovered after this incident (See JIMS incident report (b)(6)(C) for more information).

On 04/11/2023, I was able to retrieve two photos from medical. I also learned that Phoenix's left middle and ring fingers were the ones that got caught in the food port. Not his left pinky.

On 04/07/2023, at approximately 0700 hours, Sergeant Gomez attempted to speak with Phoenix about this incident and his injuries at his assigned cell. Phoenix accused Sergeant Gomez of being against him and refused to speak with Sergeant Gomez and discuss the incident and the injuries.

REPORT NARRATIVE

Origin:

On 04/07/23, at approximately 0655 hours, I was assigned as the East Housing position at the Vista Detention Facility (VDF). I was in East House Module 4 (E4) conducting our opening count and incarcerated person (IP) Phoenix, Brandon BN 22751968 had his arm extended out of his assigned cell's, E4 Cell #4, handcuffing port and was refusing to allow deputies to secure it.

BACKGROUND:

Phoenix was arrested by the Escondido Police Department (EPD) on 12/16/2022. Phoenix was arrested for (b)(6)(C)

I conducted a Jail Inmate Management Systems (JIMS) database search, I found Phoenix has several incidents where Phoenix became agitated and disrespectful to staff.

DEPUTY'S OBSERVATIONS AND ACTIONS:

Phoenix was secured inside his assigned cell, E4 cell 4. I noticed Phoenix's handcuffing port was open and had Phoenix right arm extended out, hanging over the port flap. I asked Phoenix why his arm was hanging out of the handcuffing port. Phoenix stated we have not given him dayroom in a week. I stated we had just started our shift and we could give him (Phoenix) dayroom. Phoenix asked if we would place the chains on him. I told Phoenix that he is still required to be secured in dayroom leg and waist chains while in the dayroom. Phoenix then asked about grievance forms the previous shift did not provide for him. I told Phoenix that was an easy solution and that I would bring him grievance forms. Phoenix stated, it was too late for that and that we were dealing with a federal matter. Phoenix requested we notify the FBI (Federal Bureau of Investigation). I instructed Phoenix to place his arm back inside the port to allow us the ability to begin dayroom. I told Phoenix we could not have his arm out with the handcuffing port open. Phoenix gripped the handcuffing port flap and asked, "Are you a southsider, because you're acting like one." Phoenix again stated that he was not going to return his arm through the handcuffing port. To de-escalate the situation I spoke with Phoenix at his handcuffing port for about 5 minutes, Phoenix refused to compromise with our instructions.

I placed my left hand under the handcuffing port and attempted to guide Phoenix's right arm back into the cell by placing my right hand on Phoenix's right forearm but not applying pressure. Phoenix tensed his right arm and then pushed forward towards me. I grabbed Phoenix's right forearm with both hands, pulling his full arm out of the flap and held it in place. Had I not used this force Phoenix could have grabbed my equipment off my belt. Using both hands I was able to gain control of Phoenix's right arm and push it back through the port. I began to close the port, Phoenix threw a close left handed strike making contact with my abdomen. Phoenix then pulled his left arm back into his cell, but then placed his left fingers onto the gap between the cell door and the handcuffing port. Anticipating Phoenix would attempt to strike me again, I attempted to close the port and told Phoenix to remove his fingers. The flap was closed partially with Phoenix's left fingers preventing the flap from closing completely. I released pressure from the port which allowed Phoenix to remove his fingers and Deputy Martinez was then able to secure the handcuff port.

I asked Phoenix if he would like to see medical. Phoenix stated, "Fuck you, I'm going to sue your ass." While I was attempting to taking pictures of Phoenix's injuries, I again asked if he would like to see medical. Phoenix stated, "Fuck you, you better have a good lawyer." Phoenix refused to see medical and take pictures. I asked Nurse (b)(6)(C) to evaluate Phoenix through the cell window. Phoenix covered his window with toilet paper and refused to be seen by medical.

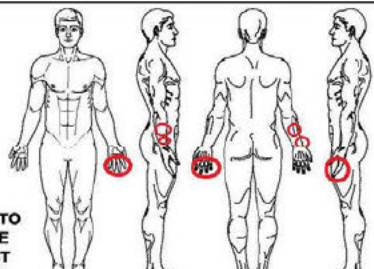

Later it was discovered by medical Phoenix sustained contusions to his left ring and middle fingers.

I had no further contact with Phoenix on this issue.
