## Synopsis

FBI task force agents advised Deputies they had located PC 832.7 (b)(6)(B) (S1) who had a Ramey warrant for his arrest for several armed bank robberies. PC 832.7 (b)(6)(B) was considered to be armed and dangerous. Deputies assisted FBI agents by conducting a vehicle stop. Deputy activated his fully marked patrol vehicle's emergency overhead lamps and conducted a vehicle stop. Deputy exited his vehicle, made eye contact with PC 832.7 (b)(6)(B) and advised him he was under arrest. PC 832.7 (b)(6)(B) attempted to flee from deputies in his vehicle. PC 832.7 (b)(6)(B) exhibited wanton disregard for public safety as he fled in his vehicle with deputies actively pursuing him. PC 832.7 (b)(6)(B) collided into another motorist then fled from his vehicle on foot. A Sacramento County Sheriff K9 apprehended PC 832.7 (b)(6)(B) as he fled into a densely populated area. PC 832.7 (b)(6)(B) was taken into custody and later transported to a local area hospital where he was treated for his injuries. PC 832.7 (b)(6)(B) was released after being deemed medically fit for incarceration. PC 832.7 (b)(6)(B) was transported to the Main Jail for CVC 2800.2 and 148(a)(1) as well as his Ramey warrant for robbery.

**1925 Hours, 03/13/2023 (Monday):** I, PC 832.7 (b)(6)(B) was assigned to the Sacramento County Sheriff's Office's Central Division as a patrol deputy. I was in uniform and I was driving a marked sheriff's patrol vehicle (122-838) equipped with a steady forward facing red lamp, red and blue overhead emergency lights and an audible siren. I was also wearing my department issued body worn camera which was recording during the below incident.

Other deputies and I were dispatched to a gas station at the corner of Florin Road and Franklin Boulevard located in the county of Sacramento to assist the Federal Bureau of Investigation's (FBI) Task Force Unit who were actively following a wanted felon involved in numerous armed robberies. The suspect (identified as PC 832.7 (b)(6)(B) (S1)) was currently by his vehicle which was parked next to a gas pump. Deputies contacted PC 832.7 (b)(6)(B) and PC 832.7 (b)(6)(B) fled in his vehicle; leading deputies on a vehicle pursuit (see Deputy Schraeder's #790 (Unit K9-3) report).

The pursuit came to a conclusion when PC 832.7 (b)(6)(B) collided his vehicle into a civilian's vehicle. PC 832.7 (b)(6)(B) then fled on foot and was apprehended by the sheriff's canine. I assisted with handcuffing PC 832.7 (b)(6)(B) was later taken to the hospital via ambulance for his injuries.

I remained with PC 832.7 (b)(6)(B) vehicle until Elk Grove Police Department Detective Kostyuk #262 arrived on-scene to take possession of the vehicle. The vehicle was towed to their evidence storage yard.

I utilized my department issued cellular phone to photograph PC 832.7 (b)(6)(B) vehicle and the vehicle PC 832.7 (b)(6)(B) had collided with. I later uploaded the photographs to Evidence.com.

**1925 Hour, 03/13/2023 (Monday):** Deputy Mahon #865 and I, Deputy Goff #523 (Unit 66D2) were assigned the Sacramento County Sheriff's Office's Central Division as patrol deputies. I was in full Sheriff's Deputy uniform with agency shoulder patches and badge. I was operating a fully marked patrol vehicle (122-219) equipped with forward facing red lights and siren. I was wearing a department issued body worn camera which was set to record.

Deputy Mahon and I responded to the Shell gas station located on the southwest corner of the Franklin Boulevard (Blvd.) / Florin Road (Rd.) intersection to assist Federal Bureau of Investigations (FBI) agents with apprehending a felonious suspect wanted for multiple bank robberies in California who was located at the Shell gas station. The suspect was later identified as **PC 832.7 (b)(6)(B)** (S1) and was observed by FBI agents and later SSO K9 Deputy Schraeder #790 pumping gas into a silver, 4-door, Toyota Camry (**PC 832.7 (b)(6)(A), VC 1808.51 VC 1808.45**).

**1934 Hours:** Deputy Mahon and I arrived on scene and assisted other deputies with conducting a felony vehicle stop. I activated my overhead lights and the vehicle stop was initiated while **PC 832.7 (b)(6)(B)** and the related vehicle were at the # 2 pump. Assisting deputies and I held **PC 832.7 (b)(6)(B)** at gunpoint and announced to him that he was under arrest. **PC 832.7 (b)(6)(B)** got into his vehicle and fled the scene, which initiated a pursuit southbound on Franklin Blvd. I activated my siren and remained in the # 3 position of the pursuit until its termination point just south of the intersection at Franklin Blvd. / Cuny Ave. The pursuit terminated after **PC 832.7 (b)(6)(B)** vehicle collided with another occupied vehicle and came to a complete stop after crashing onto the sidewalk.

**1939 Hours:** **PC 832.7 (b)(6)(B)** exited his vehicle and fled on foot northbound toward the Franklin Blvd. / Cuny Ave. intersection, but was apprehended by Sheriff's K9. Deputy Mahon and I cleared the vehicle driven by **PC 832.7 (b)(6)(B)** confirming **PC 832.7 (b)(6)(B)** was the solo occupant of the vehicle.

**PC 832.7 (b)(6)(B)** was transported to Kaiser South, via Code Three ambulance, for injuries sustained during the vehicle accident and K9 apprehension.

I rode in the ambulance with **PC 832.7 (b)(6)(B)** and remained with him during his initial hospital stay and treatment. Deputy Mahon obtained a Mirandized statement from **PC 832.7 (b)(6)(B)** regarding his flight from Deputies.

**1929 Hours, 03/13/23, (Monday):** I, Deputy Suon #514 (61D1) was dispatched to an assist outside agency call for service.

The text of the call read the complainant was with the Federal Bureau of Investigation (FBI) task force. The complainant saw a suspect involved in a series of robberies in Sacramento County. The suspect vehicle was a silver Toyota Corolla or Camry license number

PC 832.7 (b)(6)(A), VC 1808.5/VC 1808.45. The complainant positively identified the suspect as PC 832.7 (b)(6)(B) (S1).

I activated my Body Worn Camera (BWC) and In Car Camera (ICC 122-112) to record prior to my arrival at the dispatched location. The suspect vehicle led units on a pursuit as I arrived at the dispatched location.

**1935 Hours:** I assisted units in the pursuit of the suspect and suspect vehicle. The suspect vehicle collided with a Honda license PC 832.7 (b)(6) travelling northbound Franklin Boulevard approaching Cuny Avenue prior to coming to a complete stop. PC foot bailed from his vehicle and ran northbound Franklin Boulevard. PC was quickly apprehended by deputies with the assistance of a K9 dog.

**1938 Hours:** I contacted the driver of a Honda license PC 832.7 (b)(6)(B), VC 18 who was later identified as PC 832.7 (b)(6)(B) (W). PC 832.7 (b)(6) was excited as a result of the accident and could not provide me a detailed statement. California Highway Patrol (CHP) units shortly arrived at my location and handled the vehicular accident. Fire later arrived at my location and treated PC 832.7 (b)(6) PC 832.7 (b)(6) continued to be excited and could not provide fire personnel and CHP a detail statement.

I overheard PC 832.7 (b)(6) telling fire personnel he had no visible injury and only mentioned complaint of pain on his left hip. PC 832.7 (b)(6) refused to be transported by fire personnel to an area hospital.

I also contacted PC 832.7 (b)(6)(B) grandson (PC 832.7 (b)(6)(B)) who was also in the Honda. PC 832.7 (b)(6)(B) advised me he had no complaint of pain and no visible injury. PC 832.7 (b)(6)(B) mother arrived at my location and I provided her the event number per her request.

**2103 Hours:** I cleared the call and resumed routine patrol.

**1923 Hours, 3/13/2023 (Monday):** I, Deputy Schraeder #790 (Unit 0K93), was assigned to the Sacramento Sheriff's Office Canine (K9) detail and was assisting patrol with calls for service. I was driving a fully marked patrol vehicle (122-904) which was equipped with a forward-facing red lamp and audible sirens. The vehicle was also equipped with an In-Car Camera (ICC) which recorded forward facing video from the dash when activated. I was wearing a full Deputy Sheriff uniform with Sheriff patches on my shoulders and a Sheriff patch on my chest and back. I was wearing a Body Worn Camera (BWC) which recorded both audio and video from my person when activated.

My K9 partner, Jack, was a two-year-old Belgian Malinois. K9 Jack was brown and black in color. K9 Jack weighed approximately 70 pounds. K9 Jack wore a black harness with reflective grey "sheriff" patches on his shoulders.

At the above time, our dispatch center received a call from a Federal Bureau of Investigations (FBI) Agent Hernandez. Agent Hernandez advised that he was working on a federal task for and was surveilling **PC 832.7 (b)(6)(B)** (S1) who had a Ramey warrant for his arrest. Agent Hernandez advised us **PC 832.7 (b)(6)(B)** had committed several recent bank robberies. We were advised at least on of the robberies was committed with a firearm. Agent Hernandez advised us **PC 832.7 (b)(6)(B)** should be considered armed and dangerous.

Agent Hernandez provided us physical descriptors, a location and a vehicle associated with **PC 832.7 (b)(6)(B)**. The vehicle was a 2020 Toyota Camry (Ca License plate **PC 832.7 (b)(6)(A), VC 1808.5/VC 1808.45**) which was grey in color. Agent Hernandez advised us **PC 832.7 (b)(6)(B)** was currently parked near a gas station pump at a Shell gas station (7200 Franklin Boulevard).

Our dispatch confirmed there was a valid Ramey warrant in the National Criminal Information Center (NCIC) Wanted Persons Systems (WPS) for **PC 832.7 (b)(6)(B)** arrest.

I coordinated with several patrol deputies who arrived nearby.

**1934 Hours:** Sufficient deputies arrived on scene. Myself and several other deputies approached the vehicle still parked near the gas pump. I positioned my vehicle at a forty-five-degree angle to **PC 832.7 (b)(6)(B)** vehicle; **PC 832.7 (b)(6)(B)** driver door was open and he was seated inside the driver seat. As I exited my patrol vehicle I made eye contact with **PC 832.7 (b)(6)(B)** I told **PC 832.7 (b)(6)(B)** to show me his hands and that he was under arrest.

PC 832.7 (b)(6)(B) sat back in the driver seat and closed the driver door. PC 832.7 (b)(6)(B) started his vehicle and drove out of the parking lot. I activated my audible siren and pursued after PC 832.7 (b)(6)(B)

PC 832.7 (b)(6)(B) drove southbound onto Franklin Boulevard. PC 832.7 (b)(6)(B) approached the red light at the intersection of Franklin Boulevard and Meadowgate Drive. PC 832.7 (b)(6)(B) made no attempt to stop at the red light and sped through. During the time of the pursuit there were moderate amounts of vehicular traffic on the roads.

As PC 832.7 (b)(6)(B) approached the red light at the intersection of Franklin Boulevard and Shinning Star, he again made no attempt to stop behind the limit line. As PC 832.7 (b)(6)(B) approached the intersection he was traveling at speeds approximately 70 miles per hour (MPH).

As PC 832.7 (b)(6)(B) approached the red light at the intersection of Franklin Boulevard and Brookfield Avenue, he again made no attempt to stop behind the limit line. He squeezed his vehicle between to vehicles waiting at the red light, narrowly avoiding a collision and turned eastbound onto Brookfield Avenue.

PC 832.7 (b)(6)(B) turned northbound onto Cedarwoods Way. He sped through the intersection at speeds over 40 MPH. This was a residential neighborhood with a posted speed limit of 25 MPH.

PC 832.7 (b)(6)(B) approached the stop sign controlled intersection of Cedarwoods Way and Rubens Parkway. PC 832.7 (b)(6)(B) made no attempt to stop and turned northbound onto Rubens Parkway.

PC 832.7 (b)(6)(B) ran the stop sign controlled intersection at Rubens Parkway and East Parkway, turning westbound onto East Parkway. PC 832.7 (b)(6)(B) continued to travel at speeds well over 40 MPH through the neighborhood.

As PC 832.7 (b)(6)(B) approached the stop sign at East Parkway and Franklin Boulevard, he made no attempt to stop and turned northbound onto Franklin Boulevard cause several vehicles to abruptly stop in order to avoid a collision.

PC 832.7 (b)(6)(B) travelled northbound on Franklin Boulevard where he travelled at speeds in excess of 80 MPH. As PC 832.7 (b)(6)(B) approached the intersection of Franklin Boulevard and Meadowgate Drive, he passed vehicles on the right shoulder. He also ran the red light at Franklin Boulevard and Meadowgate Drive.

PC 832.7 (b)(6)(B) continued northbound on Franklin Boulevard at approximated speeds in excess of 90 MPH. As PC 832.7 (b)(6)(B) approached the red light at Franklin Boulevard and 52<sup>nd</sup> Avenue, there were two vehicles ahead of him. PC 832.7 (b)(6)(B) attempted to pass the vehicles on the right shoulder and collided into a dark color Honda Odyssey (CA license plate PC 832.7 (b)(6)(B), VC 1808.5/VC 1808.45). The drive of this vehicle would later be identified as PC 832.7 (b)(6)(B) (W).

PC 832.7 (b)(6)(B) emerged from the front passenger door of his disable vehicle and began to flee from arrest on foot.

I elected to utilize K9 Jack for a direct apprehension for the following reasons:

?? PC 832.7 (b)(6)(B) had a felony Ramey warrant for his arrest regarding several bank robberies, at least one of which he utilized a firearm.

?? PC 832.7 (b)(6)(B) had committed felony evading of a peace officer while operating a motor vehicle. While doing so, PC 832.7 (b)(6)(B) exhibited wanton disregarding for the public's safety (CVC 2800.2).

?? PC 832.7 (b)(6)(B) was now actively fleeing from law enforcement on foot (PC 148(a)(1)).

?? PC 832.7 (b)(6)(B) was fleeing into a densely populated residential area as well as a large apartment complex. I had extensive history with the apartment complex and knew at the time of occurrence there would be a large number of citizens traveling through the apartment complex on foot. Furthermore, I knew there was an unsecured pedestrian gate that leads into the apartment complex at the southeast corner of Franklin Boulevard and Cuny Avenue. This was directly within the path of PC 832.7 (b)(6)(B) travel on foot.

?? The time of the occurrence was after sunset. It was a dimly lit street and an urban environment.

?? There was no police helicopter or airplane assisting us with the pursuit of PC 832.7 (b)(6)(B).

?? PC 832.7 (b)(6)(B) had not been searched and it was unknown whether he was armed with any conventional or non-conventional weapons. Furthermore, it was unknown whether PC 832.7 (b)(6)(B) would utilize a weapon against Deputies to further his escape.

?? If PC 832.7 (b)(6)(B) was not immediately apprehended, he had the opportunity to escape. PC 832.7 (b)(6)(B) also would have the opportunity to hide from Deputies who would then have to search for him by hand. This situation is significantly more dangerous for Deputies who may be walking into an ambush from PC 832.7 (b)(6)(B).

Prior to releasing K9 Jack for the apprehension, I elected not to give PC 832.7 (b)(6)(B) a direct K9 announcement for the following reasons:

?? I felt had I taken the additional time to make a K9 announcement prior to releasing K9 Jack, it would have increased the likelihood of PC 832.7 (b)(6)(B) making good on his escape.

?? PC 832.7 (b)(6)(B) had shown a propensity for violence through his several bank robberies and

having just showed wanton disregard for public safety during the vehicle pursuit. PC 832.7 (b)(6)(B) actions as he attempted to evade arrest appeared desperate and it was unknown to the lengths PC 832.7 (b)(6)(B) would go to evade capture.

?? PC 832.7 (b)(6)(B) had not been searched and there was a high likelihood of PC 832.7 (b)(6)(B) being armed with a firearm.

?? PC 832.7 (b)(6)(B) was fleeing into a densely populated area where he could potentially harm a civilian while trying to further his escape or place himself in a position of advantage over Deputies searching for him.

I exited my patrol vehicle and removed K9 Jack from the rear seat. I released K9 Jack to an apprehension. PC 832.7 (b)(6)(B) was continuing to flee northbound along the eastern side walk of Franklin Boulevard. K9 Jack gave chase and contacted PC 832.7 (b)(6)(B) on the right calf. K9 Jack maintained positive control of PC 832.7 (b)(6)(B) as I immediately approached with a cover partner. PC 832.7 (b)(6)(B) was lying on his stomach at the southeast corner of Franklin Boulevard and Cuny Avenue just outside the aforementioned pedestrian gate.

I gave PC 832.7 (b)(6)(B) verbal commands to show me both his hands and to place them behind his back to which he complied. I began handcuffing PC 832.7 (b)(6)(B) then gained positive control over K9 Jack and removed him from the contact. With PC 832.7 (b)(6)(B) detained, I placed K9 Jack in the rear seat of my patrol vehicle and secured the doors.

I returned to PC 832.7 (b)(6)(B) and began assessing his injuries. While speaking with PC 832.7 (b)(6)(B) he told me he sustained injuries to his right calf after being apprehended; I observed consistent injuries upon PC 832.7 (b)(6)(B) right calf. I observed no additional injuries to PC 832.7 (b)(6)(B) person which appeared fresh. PC 832.7 (b)(6)(B) then advised me he had recently been shot and had a single gun shot wound on each thigh.

Sacramento City Fire Department Engine 56 and Ambulance 56 arrived on scene and began rendering further medical treatment to PC 832.7 (b)(6)(B). They confirmed at least one previous gunshot wound injury which had been bandaged to his right thigh. Sacramento City Fire Department Ambulance transported PC 832.7 (b)(6)(B) to a local area hospital for further medical treatment. PC 832.7 (b)(6)(B) would later be deemed medically fit for incarceration, discharged and booked at the Sacramento County Main Jail.

Crime Scene Investigation Deputies were requested to document the PC 832.7 (b)(6)(B) injuries (see supplemental report).

**STATEMENT IN SUMMARY**

**2104 Hours, 03/13/2023, (Monday):** I, Deputy Mahon #865 (Unit 66D2) was assigned to Sacramento Sheriff's Office (SSO) Central Division as a patrol officer. I wore full SSO Uniform and drove a fully marked SSO patrol vehicle equipped with forward facing red and blue lights and a siren. I wore a body worn camera which was activate at the time of the incident.

I spoke with **PC 832.7 (b)(6)(B)**(S1) who identified himself by first name and pointing to a tattoo on his left shoulder indicating his last name, which was marked **PC 832.7 (b)(6)(B)**. I read **PC 832.7 (b)(6)(B)** a Miranda Advisement and he stated he understood his rights and wished to provide a statement to me. My bodyworn camera was activated during the statement and the following is a summary of that statement:

I knew you guys were cops when you all got behind me. There were a lot of you and I felt outnumbered. In my culture, the cops are kind of the enemies, you know? I got scared, because I've been doing so good with the law and haven't caught a case in a few years.

I heard the cop loudly tell me to open my car door when I closed it but I took off anyway. I wanted to get away. I ran from you guys because I did not want to be caught.

I was driving really fast because I know sometimes if I drove dangerously you guys stop chasing me because it becomes too dangerous for you guys and the public. I saw all the cars on the roadway, too. The reason I ended up crashing is because I swerved to the right to avoid hitting the guy in that car. How come people don't get out of the way when they know there is a high speed chase coming their way?

Anyways, I swerved to avoid that guy but I did not want to slow down because I know you guys try to push our cars away when we run away.

I did not know I was being chased by the cops when I got out of the car, but I ended up running because obviously I am going to run from you guys. If you guys are trying to catch me, for any reason, I am going to run. It's my job to run and your job to catch me.

I ended up on the ground because that vampire dog bit me on the leg and started sucking my blood. He bit me a lot and it hurt, it still hurts. Aside from the dog bites, my head hurts from when I crashed the car. The cop with the dog also hit me in the back of the head three times while trying to put me in handcuffs. I think I was being compliant.

I still do not know why you guys were chasing me in the first place.

**Related Date/Time** MAR-13-2023 (MON.) 2011

**1942 Hours 03/13/2023 (Monday):** I, Deputy Bowman #204 (Crime Scene Investigation unit ID22), responded to Kaiser South hospital (6600 Bruceville Road) to assist with a vehicle pursuit which resulted in the suspect being bitten by an SSO K9 unit.

**2011 Hours:** I arrived on scene and contacted patrol deputies who were standing by with the suspect, PC 832.7 (b)(6)(B) (S1). PC 832.7 (b)(6)(B) was being evaluated by hospital staff for his injuries. Upon the completion of CT scans I was able to document PC 832.7 (b)(6)(B) injuries.

I took the following digital photos:

- Overall views of PC 832.7 (b)(6)(B)
  - intermediate and close up views of multiple apparent lacerations to PC 832.7 (b)(6)(B) inner right leg
  - intermediate and close up views of an apparent laceration under the bend of PC 832.7 (b)(6)(B) inner right leg
  - intermediate and close up views of multiple apparent lacerations on PC 832.7 (b)(6)(B) right calf
  - intermediate and close up views of apparent lacerations on PC 832.7 (b)(6)(B) right shin
  - intermediate and close up views of an apparent abrasion on PC 832.7 (b)(6)(B) nose

I later uploaded the 30 photos to the Digital Crime Scene server under item number AB-P (barcode #1017599-1). These photos were also uploaded to Evidence.com.

**2058 Hours:** I cleared the scene.
