

POLICE DEPARTMENT CA0361000 SAN BERNARDINO, CALIFORNIA	CR2	CASE NUMBER <b>2023-00034780</b>
---	-----	-------------------------------------

**SUPPLEMENTAL:**

On 04/04/23 at approximately 0925 hours, I (Officer M. Valenzuela) was assigned to the San Bernardino Police Department Narcotics Unit when I received a brown paper bag which contained multiple items that contained fentanyl and or were contaminated with fentanyl. The report prepared by Officer Medina advised that the fire marshal, who responded to the San Bernardino Police Department evidence room, placed the exposed items in a bag and sprayed a liquid to inert the fentanyl. The spray caused all items to liquefy. The San Bernardino Police Department evidence tag number attached to the brown paper bag was 23-3755.

The evidence package was issued San Bernardino Police Department narcotics evidence tag number 23SB000832 and was later submitted to the San Bernardino Sheriffs Department Crime Lab for destruction.
