NARRATIVE

My body worn camera (BWC) (AXON [REDACTED]) was activated during this incident. All relevant videos will be annotated with this report number (23-005466) and will be uploaded to a secure server.

On Monday, April 17, 2023, about 1518 hours, I was working as a Deputy Sheriff in full "Class D" uniform assigned to Santa Rita Jail, located at 5325 Broder Blvd in Dublin, and was assigned to work in Housing Unit 1 (HU1).

Deputy M. Catiiis, deputy Z. DeSouza and I entered D-pod to conduct the 1500-hour count of inmates. Because of previous assaults on deputies made by inmate [REDACTED] [REDACTED] [REDACTED]), three deputies entered the pod. As I was scanning the top tier for count, I heard sounds of a fight occurring downstairs. I saw [REDACTED] lunging towards deputy DeSouza to assault him from the top of the tier before I reached the bottom tier of D-pod. [REDACTED] was actively resisting deputies when I arrived to assist. I grabbed [REDACTED] right wrist in an attempt to control him. I saw that deputies had control of [REDACTED] limbs, so I switched to handcuff him. After I placed the handcuffs on [REDACTED] I grabbed [REDACTED] left wrist with my right hand and placed my left hand on his back, using downward pressure, to maintain proper control. This was effective as it held [REDACTED] in place. I placed my left hand on [REDACTED] left wrist and controlled his legs momentarily, so that the leg restraints could be placed on him. Due to his active resistance, I transitioned my right arm to [REDACTED] right wrist and used downward pressure to keep [REDACTED] in place. This was effective as it prevented deputies from being assaulted. Deputy I. Demma placed [REDACTED] legs in a figure four position to prevent him from kicking deputies.

With the help of deputies, [REDACTED] was placed in the recovery position and placed in the wheelchair. [REDACTED] was escorted to the West Temporary Holding Cell (THC) for a check on any possible injuries.

[REDACTED] was seen by Wellpath RN H. Singh shortly after and did not have any complaints of pain.

Sergeant M. Ahern was notified of the incident.

Pursuant SB882:

a. I perceived [REDACTED] to have a mental disability based on his previous behavior.
