Assisting Narrative

**NARRATIVE**

My Axon body worn camera ( [REDACTED] ) was activated during this incident.

On Monday, July 2, 2023, about 0159 hours, while working as a deputy sheriff at Eden Township Substation (ETS), While patrolling the San Leandro area a request for emergency assistance from a deputy was broadcasted. Emergency assistance was requested at Liberty Street and 163rd Avenue.

I arrived at Liberty Street and 163rd Avenue and observed a Silver 2015 Hyundai Elantra CA plate ( [REDACTED] damaged from what appeared to be a collision with the engine still running. The Hyundai was stopped on Liberty Street in the westbound lane facing south across from the north side of [REDACTED] 163rd Avenue.

I conducted a plain view observation of the interior of the Hyundai. Deputy Z. Snider arrived on scene and assumed the role of the primary investigating deputy. Deputy Snider tasked me with securing the scene where the Hyundai was located.

I placed crime scene tape across the northern end of 163rd Avenue where it intersected with Liberty Street, across the eastern side of Liberty Street where it intersected with 163rd Avenue, and across the western side of Liberty Street from the I580 offramp to my patrol vehicle that was located about 30 feet west of the Hyundai.

I spoke to the reporting party, [REDACTED] [REDACTED] of the traffic collision located at [REDACTED] Street who told me the following in summary:

[REDACTED] heard what sounded like a traffic collision and male voices yelling at each other to hurry and run. [REDACTED] believed the subjects she heard yelling ran west on 163rd Avenue. [REDACTED] called Alameda County Emergency Dispatch and reported what he had heard. [REDACTED] did not see the traffic collision or any subjects exit the Hyundai.

I maintained scene integrity until about 0630 hours. CHP assumed the investigation of the traffic collision of the Hyundai and took over the scene at Liberty Street and 163rd Avenue.

**This is a supplemental report to Deputy Snider's original report.**
