Synopsis

S1 used a cinder block to break a fixed window on the back side of the closed V1 business. Per interior video camera systems, S1 stole silverware and attempted to open cash registers within the V1 business. S1 fled the area prior to deputies' arrival.

S1 was the suspect in a knife wielding call for service, near the V1 business. Upon contact with deputies, S1 fled on foot toward the V1 business and eluded deputies for several hours. Deputies located the V1 business window break and video evidence confirmed S1 to be the suspect related to the break-in.

S1 was later located approximately one half mile away and fled from deputies again. Sheriff's K9 dog asset was deployed and S1 was placed in custody after briefly resisting arrest. A knife was located on S1's person, containing the V1 business name. S1 was treated at a local area hospital and subsequently booked at the Sacramento County Main Jail. CSI was requested.

1534 Hours, 04/18/2023, (Tuesday): I, Deputy Nofziger # 50 (11C1), was assigned to the Sacramento County Sheriff's Office (SSO) North Division. I was driving a fully marked patrol vehicle (122-221) equipped with lights, a siren, and a forward-facing red light. I was dressed in a full SSO uniform. My body-worn camera was activated during this incident.

I assisted deputies with obtaining a medical clearance for PC 832.7 (b)(6)(B) (S1).

1609 Hours: I arrived at Sutter General Hospital and relieved Deputy Hemness #802 and Deputy Flores #80.

While at Sutter General Hospital, PC 832.7 (b)(6) stood up from the chair he was sitting in and started to walk towards the exit doors. I instructed PC 832.7 (b)(6) to stop and I grabbed PC 832.7 (b)(6) by his right arm. PC 832.7 (b)(6) tensed his upper body and pulled away from me in an attempt to free himself from my grip. I attempted to gain control of PC 832.7 (b)(6) but PC 832.7 (b)(6) continued to pull away from me. I used my left leg to cause PC 832.7 (b)(6) to lose his balance and I took PC 832.7 (b)(6) down to the ground.

I placed my left knee on PC 832.7 (b)(6) right knee and instructed him to stay on the ground.

Deputy Kibak #943 was at the hospital for unrelated reasons to this call and assisted me with getting PC 832.7 (b)(6) back to a seated position on the chair.

PC 832.7 (b)(6) was eventually medically cleared for further incarceration. Deputy Kibak assisted with escorting PC 832.7 (b)(6) to my patrol vehicle. PC 832.7 (b)(6) was placed in the backseat of my patrol vehicle. I activated my in-car camera (ICC).

I contacted Sergeant Markos #202 and advised her of the incident via telephone call.

1649 Hours: I transported PC 832.7 (b)(6) to the Sacramento County Main Jail.

1659 Hours: I arrived at the Sacramento County Main Jail and booked PC 832.7 (b)(6) into custody without further incident.

1805 Hours: I returned to normal patrol operations.

Related Date/Time APR-18-2023 (TUE.) 2211

0702 hours, 4/18/2023 (Tuesday): I, Deputy Herold #842, (UNIT 44B1) was assigned north patrol for the Sacramento Sheriff's Office (SSO). I was in full uniform, wearing my activated body worn camera and drove a marked patrol vehicle (122-748). I was dispatched to a threats with a knife call for service. The call for service received a secondary call (SSO 23-117202). The text of the call(s) indicated the following, in summary:

On Howe Avenue, near Enterprise Drive, a homeless black male adult was waving a knife at an unknown female who ran off. The male, later identified as [PC 832.7 (b)(6)(B) (S1)], was wearing all black and walking northbound on Howe Avenue. The knife was described as a possible Japanese-style fighting knife.

0712 hours: I arrived in the area and searched Howe Avenue, south of Enterprise Avenue, yielding negative results. While driving northbound Howe Avenue, Deputy Flores #80 advised he located [PC 832.7 (b)(6)(B)] walking near Howe Avenue and Hurley Way. I arrived at the intersection and observed [PC 832.7 (b)(6)(B)] running eastbound Hurley Way from Howe Avenue. [PC 832.7 (b)(6)(B)] had a distinctive black windbreaker-style jacket with a stiff collar and white writing along the breast region. Deputy Flores pursued [PC 832.7 (b)(6)(B)] on foot and was actively commanding [PC 832.7 (b)(6)(B)] to stop.

I activated my vehicle emergency lighting, equipped with a forward facing red light, and pursued [PC 832.7 (b)(6)(B)] through the parking lot of 2225 Hurley Way. It appeared [PC 832.7 (b)(6)(B)] clenched an object in the right fist and sleeve region of his black jacket. I lost sight of [PC 832.7 (b)(6)(B)] around a blind corner in the northern area of the parking lot. Deputy Flores and I located broken fence boards at the north end of 2225 Hurley Way, large enough for a person to pass through.

Additional deputies arrived and searched the area for [PC 832.7 (b)(6)(B)]

0733 hours: K9 Deputy Vasquez #1111 and I searched the adjacent parking lot, and [PC 832.7 (b)(6)(B)] presumed flight pattern, to the north of 2225 Hurley Way. I heard an audible alarm at the Outback Steak House (1340 Howe Avenue). A search of the premise yielded negative results for [PC 832.7 (b)(6)(B)] or unlocked doors. At the conclusion of the search, K9 Deputy Vasquez and I located several open doors and a fence break within the Red Lobster (V1 Business) back patio area.

0755 hours: K9 Deputy Vasquez and I searched the back patio of Red Lobster. We located a fixed window, adjacent to the patio access door, with shattered glass on the ground and a hole big enough for human entry. K9 Deputy Vasquez moved his dog asset, K9 Tito, close to the glass break. K9 Tito immediately began barking and alerting on the window. Additional deputies surrounded the area and the Red Lobster manager, [PC 832.7 (b)(6)(D) (W)], arrived on scene.

[PC 832.7 (b)(6)(D)] advised Deputy [PC 832.7 (b)(6)(B)] of functional camera systems within the business. Per [PC 832.7 (b)(6)(D)], [PC 832.7 (b)(6)(B)] was captured on video forcing entry into the business and attempting to

tamper with locked cash registers, however it was uncertain whether [PC 832.7 (b)] was still inside. Deputies searched the Red Lobster interior, yielding negative results for [PC 832.7 (b)] [PC 832.7 (b)] [6](B)

The Red Lobster was closed to the public and outside hours of operation. A white handled fixed blade knife was located on the ground, near the interior lobby. Three (3) computer/cash register stations had drawers pulled open. The cash register counter in the bar area contained presumptive marijuana and charred leafy substances. A cinder block and outdoor cigarette waste container were located on the back hallway floor, within the pile of broken window glass. (See Observations)

0940 hours: I spoke with [PC 832.7 (b)] [6](D), within the victim business. She stated the Red Lobster's back patio windows were in unbroken working order upon close, the night prior (4/17/2023). [PC 832.7 (b)] [6](D) estimated the window and repair to be approximately \$2,000. [PC 832.7 (b)] [6](D) said [PC 832.7 (b)] [6](B) was observed, in the video recording, breaking into the fixed window at approximately 04:00 a.m. [PC 832.7 (b)] [6](D) said cameras recorded [PC 832.7 (b)] [6](B) smoking in the bar area, opening drawers throughout the business and tampering with cash registers. (See [PC 832.7 (b)] [6](D)' Statement)

I provided [PC 832.7 (b)] [6](D) with an Evidence.com link for video upload at a later time. I photographed various areas within the interior of the victim business, including the glass break. (Refer to Evidence.com)

Crime Scene Investigations (CSI) was requested. (Refer to SSO 23-117398)

0944 hours: I heard K9 Deputy Vasquez advise SSO Dispatch, via radio, he was in foot pursuit of [PC 832.7 (b)] [6](B) near 800 Howe Avenue. K9 Tito was deployed and apprehended [PC 832.7 (b)] [6](B) prior to Deputy Vasquez placing [PC 832.7 (b)] [6](B) in handcuffs. Refer to K9 Deputy Vasquez's supplemental report.

1010 hours: I arrived at the Howe Avenue and Northrop Avenue apprehension scene. I located [PC 832.7 (b)] [6](B) in the back of Deputy Moore's #799 patrol vehicle. I visually confirmed [PC 832.7 (b)] [6](B) to be the subject I originally saw flee from Deputy Flores. I confirmed [PC 832.7 (b)] [6](B) to be the suspect in the Red Lobster interior surveillance camera footage. I recognized [PC 832.7 (b)] [6](B) to be wearing the same black windbreaker-style jacket with a stiff collar and white writing. CSI Deputy Allmon #1074 relayed to me [PC 832.7 (b)] [6](B) was apprehended in possession of a fixed blade knife labelled "Red Lobster." Refer to CSI Deputy Allmon's supplemental report.

[PC 832.7 (b)] [6](B) was transported to Sutter General Hospital and treated for dog bite related injuries.

I cleared the call for service and resumed my normal patrol duties.

0600 Hours 04/18/2023 (Monday): I Deputy Vasquez #1111 (Unit 0K97), was on duty as a K-9 handler in full uniform and in a fully marked Sacramento County Sheriff's patrol vehicle. I was accompanied by my K-9 partner, Tito. Tito is a 45-pound Belgian Malinois who wears a fully marked Sheriff's canine harness.

0706 Hours: I was dispatched to a call regarding a black male adult chasing people at Howe Avenue and Enterprise Drive with a knife. The text of the call read a black male adult, 30 years old, thin, black hair, black military style jacket, black pants, was waving a knife at female who ran off. The text further stated the subject was waving the Japanese style combat knife like he was fighting someone. Dispatch received multiple calls for service regarding this subject and concern for citizens due to his behavior.

0715 Hours: I arrived at the dispatched location.

0717 Hours: Deputy Hemness #802 and Deputy Flores #80 (Unit 42B2), who were on scene, advised they located the subject, later identified as [PC 832.7 (b)(6)(B)] [PC 832.7 (b)(6)(B)] on the southeast corner of Howe Avenue and Hurley Way holding a knife.

0718 Hours: It was voiced the [PC 832.7 (b)(6)(B)] began running attempting to evade contact from the Deputies. [PC 832.7 (b)(6)(B)] fled behind a building 2225 Hurley Way and through a hole in a fence, traveling north bound, where we lost visual of him. A perimeter was set in hopes of containing [PC 832.7 (b)(6)(B)] and preventing him from coming in contact with any citizens in the area due to his erratic behavior.

0734 Hours: I asked units on the perimeter to make K9 announcements.

0739 Hours: I arrived at the last visual confirmation of [PC 832.7 (b)(6)(B)] I removed K9 Tito from the back of my patrol vehicle and attached him to a 20' lead (leash) and prepared to start a on lead search for [PC 832.7 (b)(6)(B)]. I placed K9 Tito in a downed position and made the following announcement in summary:

"This is the Sacramento County Sheriff's K9 searching with a dog, make your self known, if my dog finds you he may bite you."

After approximately 10-20 seconds I deployed K9 Tito to search and locate [PC 832.7 (b)(6)(B)]. My reason for searching with K9 Tito was for the following reasons:

?? The outstanding suspect was armed with a knife and already made deliberate attempts to avoid law enforcement contact. It was unknown whether the suspect in this instance would use their knife against law enforcement or public upon being contacted.

?? The risk to the public and law enforcement personnel, if the suspect made good on their escape, became desperate or violent if they were confronted.

?? My intention in searching the field with K9 Tito was to locate and take the suspect into custody with little or no injury as possible unless his actions upon contact necessitated or provoked a K9 application use of force appropriate for the circumstances within the department guidelines and current case law.

We began our search working north bound where we heard an alarm going off in the Outback

Steakhouse, which was in the same parking lot, at 1326 Howe Avenue. An exterior search revealed that the building was secure and nothing was disturbed.

We continued our search north, through a connecting field, with negative results for [PC 832.7 (b)(6) (B)]

0750 Hours: Deputy Harold #842 advised he wanted to clear the back patio of Red Lobster at 1400 Howe Avenue, which was just north of the Outback Steakhouse.

0755 Hours: While conducting a search of Red Lobster's enclosed patio we located a broken exterior window large enough for a person to make entry. We advised dispatch and focused our search on the interior of Red Lobster.

We gained access into Red Lobster and conducted an interior search. During our search we located a kitchen knife and black hooded sweater inside the building. We also found multiple consumable food items eaten and drank. We also observed multiple damaged item's and ceiling tiles removed as if [PC 832.7 (b)(6) (B)] attempted to hide in the attic (**See Deputy Harold's Report**).

During our search K9 Tito began showing interest up high as if [PC 832.7 (b)(6) (B)] might be hiding in the attic. The attic was later cleared utilizing pole cameras and drones with negative results for [PC 832.7 (b)(6) (B)]

0842 Hours: Sgt. [PC 832.7 (b)(6) (B)] (Unit [PC 832.7 (b)(6) (B)]) advised, via employees of Red Lobster who observed interior security cameras, that [PC 832.7 (b)(6) (B)] forced entry into the business (PC 459// Burglary// Felony) and attempted to force entry into the cash registers (PC 594// Felony Vandalism).

Sgt. [PC 832.7 (b)(6) (B)] also provided me with a picture of the suspect from interior cameras of Red Lobster. The picture shown to me was of a thin black male adult, beard, puffy hair on top of his head, wearing a black jacket with white embroidery on the upper left chest area.

0939 Hours: I cleared from Red Lobster and began traveling southbound on Howe Avenue towards Fair Oaks Boulevard.

While traveling southbound towards Sierra Boulevard I observed a black male adult, wearing all black, with puffy hair walking on the sidewalk on east side of Howe Avenue. The subject was walking northbound. I pulled into the turn lane awaiting to make a U turn at Sierra Boulevard to attempt to contact the subject.

0943 Hours: I was able to make a U turn and I got into the number three lane and pulled up to the subject [PC 832.7 (b)(6) (B)], he was about mid-block between Sierra Boulevard and Northrop Avenue. He was hunched over with his hands on his knees. I stopped my fully marked patrol vehicle activated my rear over head lights, opened my door, and took one step out, and said the following in summary:

"Sacramento Sheriff's K9 stop right there."

[PC 832.7 (b)(6) (B)] removed his hands from his knees, stood up. I observed his face and black jacket/sweater with the same white embroidery on the left chest area. It matched the photograph provided by the employees of Red Lobster.

[PC 832.7 (b)(6) (B)] began running northbound on the sidewalk attempting to avoid contact. I jumped back into my patrol vehicle and voiced, via my in car radio, I was in pursuit of the subject.

I followed [PC 832.7 (b)(6) (B)] northbound, and he turned eastbound into the parking lot of 800 Howe

Avenue.

800 Howe Avenue is a multi-business complex, which had multiple vehicles parked on the west side. Due to the number of vehicle and time of day, I believed that the businesses was occupied by unaware citizens going on with their normal work day. This concerned me because [PC 832.7 (b) (6)(B)] was known to have a knife, his erratic behavior and if he became desperate while actively fleeing from law enforcement.

At this time I activated my body worn camera.

While [PC 832.7 (b) (6)(B)] was running east I observed approximately one vehicle in the parking lot, no citizens, and a open entrance/walk way into the complex. Due to the observed situation, I exited my vehicle opened the rear door allowing K9 Tito out. I sent him on a direct send to apprehend [PC 832.7 (b) (6)(B)] who was approximately 40-50 yards away from my vehicle. This was done for the following reasons:

?? [PC 832.7 (b) (6)(B)] was unsearched and he was making deliberate attempts to avoid law enforcement contact and was now wanted for Burglary (PC 459/Felony) and Vandalism (PC594/ Felony).

?? [PC 832.7 (b) (6)(B)] was a risk to the public as he had already forced entry into a business and chased a citizen with a knife.

?? [PC 832.7 (b)(6)(B)] violent and unpredictable actions displayed he would continue to be a risk to the public and law enforcement personnel if he was able escape.

?? [PC 832.7 (b) (6)(B)] evading arrest was a concern for me because it was unknown if he was still armed either a knife or unconventional weapon; and if so, would he choose to use the violence against law enforcement or the public upon being contacted.

As K9 Tito approached [PC 832.7 (b)(6)(B)], I continued to give K9 Tito his bite command, due to K9 Tito being a new K9. I was concerned that if K9 Tito did not engage and apprehend [PC 832.7 (b)(6)(B)], he would have a chance to escape or possibly endanger a citizen if given the opportunity.

K9 Tito was able to successfully contact [PC 832.7 (b) (6)(B)] on his left tricep. As K9 Tito was on his point of contact I observed [PC 832.7 (b) (6)(B)] swing his arms in a downward motion hitting K9 Tito attempting to remove him. I arrived and punched [PC 832.7 (b) (6)(B)] in his head one time and threw him to the ground. K9 Tito remained on this point of contact. I jumped on [PC 832.7 (b) (6)(B)] and gained control of his right hand, [PC 832.7 (b) (6)(B)] continued to resist and rolled to his left side. I lost control of [PC 832.7 (b)(6)(B)] right hand while trying to advise my location, via my portable radio. [PC 832.7 (b) (6)(B)] immediately began reaching inside of his jacket/sweater, while making biting motions towards K9 Tito's face. I pinned [PC 832.7 (b) (6)(B)] right hand on the ground due to my concern that he was not searched and was possibly still armed with a knife.

Sgt. [PC 832.7 (b)(6)(B)] and additional Deputies arrived on scene and assisted in gaining control of [PC 832.7 (b)(6)(B)]. I was able to give up my position and gain positive control of K9 Tito and remove him from his point of contact.

As I walked back to my patrol vehicle I observed a kitchen knife approximately 7-8" long lying on the ground where [PC 832.7 (b)(6)(B)] ran.

0947 Hours: Fire was requested.

0953 Hours: Sacramento Metro Fire Engine #105 and Medic #95 arrived on scene. [PC 832.7 (b)(6)(B)] injuries were evaluated and treated.

0955 Hours: I spoke with [PC 832.7 (b)(6)(B)] and asked him why he didn't stop when I contacted him. [PC 832.7 (b)(6)(B)] replied:

"I was scared."

(See attached statement)

0956 Hours: CSI was requested to our location.

Deputy Allmon #1074 arrived on scene and photographed and collected the knife. Photographs were also taken of [PC 832.7 (b)(6)(B)] (**See Deputy Allmon supplemental report**).

1001 Hours: Sgt. Warren #23S (Unit K9S1) acknowledge the apprehension.

[PC 832.7 (b)(6)(B)] was later transported to Sutter General Hospital for his injuries by Deputy Hemness #802 and Deputy Flores #80 (Unit 42B2).

[PC 832.7 (b)(6)(B)] was later booked into the Sacramento County Main Jail.

1044 Hours: I cleared the call and returned to my normal patrol routine.

STATEMENT IN SUMMARY

0940 hours, 04/18/2023 (Tuesday): I, Deputy Herold #842, spoke with [PC 832.7 (b)(6)(D)] (W), within the V1 business lobby. My body worn camera was activated during the contact. [PC 832.7 (b)(6)(D)] told me the following, in summary:

Last night (4/17/2023), my staff closed the restaurant without any issue. The back fixed window, near the patio, was not broken at that time. We have camera systems that actively record on the exterior and interior. I reviewed the camera footage, from approximately 4:00 a.m. this morning. A black male (S1, [PC 832.7 (b)(6)(B)]), wearing black clothing, can be seen in the corner of the frame. He breaks the back hallway glass window and entered the restaurant through that same window. I had to fast forward through some of the video, but he spent approximately two (2) to three (3) hours inside our business. Obviously, the restaurant was closed and wasn't open to the public again until 11:00 a.m. this morning.

The camera footage shows [PC 832.7 (b)(6)(B)] tampering with ceiling tiles, smoking cigarettes or something and going through numerous server station drawers. I don't know what exactly was taken because so much has been moved around. I did watch the cameras closely to see if [PC 832.7 (b)(6)(B)] broke into any of our cash registers. Each register was locked and the video showed [PC 832.7 (b)(6)(B)] trying to open at least two (2) of those registers. The guy spent a lot of time behind the bar counter for some reason. I don't have an accurate accounting of our utensils or cutlery. I recognize the cinder block as being something we don't typically keep inside our business. The same goes for the cigarette waste basket. Both of those items are kept on the back patio and I think [PC 832.7 (b)(6)(B)] used both of them to break the glass window. I remember our back door glass broke and that cost thousands to repair. The broken fixed window costs approximately \$2,000 and would be at least that much to repair. I don't think [PC 832.7 (b)(6)(B)] was able to gain access into our manager's office because it was locked. He did, however, shut off all of my live seafood tanks. I don't know if the animals will be in decent enough condition to serve customers. I will continue to monitor their health as a potential loss in food value.

Related Narrative OBSERVATIONS / V1 BUSINESS

Author HEROLD, LOGAN

Related Date/Time APR-18-2023 (TUE.) 2321

The V1 business was a privately owned restaurant, with hours of operation between 11:00 a.m. and 10:00 p.m. The V1 business was closed to the public at the time of the incident.

The V1 business front door faced north and the public roadway was adjacent to the western side of the building. All doors were secured and the alarm system was in the ON position.

A white handled fixed blade knife was located on the ground, near the interior lobby and front (northern) door. The knife had a double-edged blade and was approximately five (5) inches in length. Three (3) computer/cash register stations had drawers pulled open. The register locations included the main lobby, an eastern server station and the back counter of the bar. The cash register counter in the bar area contained presumptive marijuana and charred leafy substances. A cinder block and outdoor cigarette waste container were located on the back (southern) hallway floor, within the pile of broken window glass. The window above the broken glass was a fixed four (4) foot by four (4) foot square, with dual pane glass shards sprinkled along the ground and window sill. Approximately four (4) interior roof tiles were ajar or laying on the ground. The interior thermostat cover was removed and laid on a nearby counter top. The V1 business main circuit breaker was adjacent to the bar area. All breakers were flipped to the OFF position, resulting in deactivated live seafood heating lamps.
