SUPPLEMENTAL

ASSIGNMENT/ARRIVAL:

On Sunday, 04/02/23, I was assigned to the northern district patrol, I was wearing my full duty uniform, my department issued body worn camera and drove a clearly marked San Bernardino Police Unit. At approximately 0206 hours, I was dispatched to the area of N. Mt. Vernon Ave. / W. Victoria St , to assist officers with a traffic stop in which the subjects had fled on foot. I arrived on scene at about 0213 hours.

INVESTIGATION:

Upon arrival, I learned that the suspect vehicle, BMW 328i (CA/6LNR889), was no longer at the scene of the traffic stop and was moved by unknown subjects.

I checked the Arco Gas Station at 542 N. Mt. Vernon Ave. for surveillance cameras. On the southeast corner of the building, I observed a camera pointing northeast, which could have captured the BMW. I contacted the gas station employee, ▬▬▬▬▬▬ who stated she did not have access to the surveillance cameras. ▬▬▬▬ called the store manager, ▬▬▬▬ ▬▬▬▬, but there was no answer. ▬▬▬▬ said ▬▬▬▬ would probably be at work in the day between 0900hrs-1400hrs. ▬▬▬▬ stated when officers conducted the traffic stop, she saw lights reflecting into the gas station. ▬▬▬▬ looked outside and saw an officer handcuff the passenger of the vehicle. ▬▬▬▬ said she returned to the cash register to help customers. ▬▬▬▬ did not see who took the BMW.

I conducted an area check for the BMW. In the area of W. 7th St. / N. Western Ave., I located the BMW parked along the north curb line of W. 7th St. The BMW was unoccupied and had all windows down. I also observed a black male subject walking westbound on the north sidewalk of W. 7th St. Officers later contacted the subject, who they identified as ▬▬▬▬ ▬▬▬▬, but released him since officers could not determine if he was the subject that took the BMW.

Since the driver was placed under arrest and the vehicle would be towed, I conducted an inventory search of the BMW. In the driver's floorboard, I recovered a plastic bindle containing a white crystal-like substance. I took photographs of the BMW, and I later uploaded the photographs into the DIMS database at the San Bernardino Police department.

On the south sidewalk of W. 7th St., directly across from the BMW, I recovered Officer Vuicich's body-worn camera. I gave the camera to Sergeant Fuentes. I checked the area for surveillance cameras, but I was unable to locate any. This concluded my involvement in the investigation.

Due to the possibility that the crystal-like substance contained Fentanyl, I gave Officer Medina the substance to provide to the San Bernardino County hazardous material team. This concluded my investigation.
